Emergency Relief Halts its Employment Service

Also Discontinues Weekly Distribution of Used Clothing

OTHER WORK GOES ON

Since most families in this area are provided for by the PWA or other agencies, the Narberth Emergency Relief this week announced the temporary withdrawal of its employment service and the curtailment of its clothing distribution.

The Wednesday clothing distribution from the fire hall, 10 to 12, will be discontinued until after the holidays. Used articles will be dispensed only in emergency cases by appointment. A call to Narberth 3883 will enable anyone to procure clothing or aid if needed.

Discontinuance of the employment bureau ends a four-year service by the relief agency.

Christmas baskets, toys, trees, etc., will be distributed this year as usual. The emergency work will be carried on as heretofore, the only change being made in continued cases. This will lighten the work of the committee, which has been very heavy.

The annual Sauer Kraut Supper sponsored by the Ladies' Aid Society of Holy Trinity Lutheran Church will be held in the social room of the church Thursday, November 19, from 5.30 until 7.30 o'clock.

A meeting of the Narberth Club Pack has been called for this Saturday at 3.30 P. M. in the Legion Room of the Community Building.

Peace Advocate Will Address Women's Club

Armistice Day Program Next Tuesday; Groups Active

LOCAL PAINTERS EXHIBIT

The Women's Community Club of Narberth will give their Armistice Day program in the Community Building on Windsor avenue, next Tuesday afternoon at 2.15.

Richard R. Wood, of the Friends' Peace Committee, will speak on "Peace and Patriotism."

Mrs. John Nash, will give a talk on Our Flag and Mrs. C. Frederick Kuebler, Jr., chairman of the Music Department, will lead with the singing of national airs by the club members. Mrs. J. S. Erichson will be the hostess.

Another feature Tuesday will be the food sale given by the project chairman, Mrs. Caryl E. Starr and her committee, for the purpose of raising funds for the Child Health Center.

The Fellowship Committee of the club, Mrs. J. H. Speck, chairman, will give their monthly luncheon and card party Thursday, November 19, at the home of Mrs. Robert A. Compton, on Woodside avenue.

The meeting of the group studying parliamentary law has been changed from Tuesday, November 17, to Tuesday, November 24. It will meet at the home of Mrs. William H. Muller, 35 Sabine avenue, Narberth.

Mrs. Ralph C. Heath, president, and Mrs. Clifford W. Bates, publicity chairman, will attend the Press Conference of the S. E. District of Federated Clubs at the Ritz-Carlton Thursday.

The Art Department through the courtesy of local merchants, is celebrating Art Week by placing paintings of local artists in the windows of the stores on Haverford avenue. Two pastels, "Garden Flowers" and "The Bride's Lilies" are by Grace Harris, "Zinnias and Marigolds" by Sara B. Wanamaker, "A Gift of Spring" by Sue May Gill, "Early Morning" by Elizabeth Way, "Red Hill" and "Above Sycamore Mills" by Grace Batchelor, "Off the Highway" by Edward C. Batchelor, "Colleenbrook Barn" by Lewis Easby, "Unemployed" by Paul Loos, "Inlet" by Marjorie Cowin, "Fluke Fisherman" by Paul L. Gill and "Still Life" by Gladys M. Berry.

Beginning next week, the paintings will be transferred to the Narberth Public School for several days.

Mrs. William H. Boardman, Jr., is the chairman of the Art Group and Mrs. W. E. G. Miller, the assistant chairman.

Lectures This Monday

RICHARD HALLIBURTON
author of "The Royal Road to Romance," who will lecture at the Lower Merion Junior High School Auditorium, Ardmore, evening of November 16.

Richard Halliburton Will Lecture Monday

Social Service League Benefit at Junior High School

TO TELL OF TRAVELS

Richard Halliburton is one of the most romantic figures of the present day.

Author of several travel books among them "The Royal Road to Romance," "The Glorious Adventure," "New Worlds to Conquer," and "Seven League Boots," he has also written for a number of newspapers and has intimate knowledge concerning the death of the late Czar of Russia, which he will tell to the audience at the Lower Merion Junior High School Monday evening.

Mr. Halliburton, who was born in Brownsville, Tenn., attended Lawrenceville School and is a graduate of Princeton University. He has climbed the Matterhorn, Fujiyama, Olympus and Pico de Popocatepetl. He has taken a number of long distance swims in the Hellespont, the Panama Canal from the Atlantic to Pacific and the Sea of Gallilee. He has been on various expeditions, one to the mysterious land of Western Tibet, and in Russia, Arabia and Tibet. He will have much in his lecture to interest both adults and boys and girls.

This lecture is sponsored by the Ways and Means Committee of the Woman's Club of Bala-Cynwyd to raise funds for the Social Service League of Bala-Cynwyd. Mrs. E. B. DeVilbiss, chairman of the committee is in charge, and tickets may be procured by calling her at Merion 869 or any member of her committee: Mrs. George Peabody, Mrs. Arthur B. B. Gabel, Mrs. Albert C. Frehofer, Mrs. George Lincoln, Mrs. Ralph White, Mrs. Walter B. Supplee, Mrs. J. J. White, Mrs. Ralph Dunne and Mrs. Clifford Narrigan, Mrs. Lloyd B.

Mrs. Mueller Again Chosen Mulieres Head

Mrs. Ben Taylor and Mrs. J. L. Minick New Directors

MEMBERSHIP DRIVE ON

Mrs. Eberhardt Mueller was re-elected president of the Mulieres of the Narberth Fire Company in Elm Hall, Monday afternoon. She was also chosen to represent the Mulieres on the fire company board.

Other officers elected were vice-president, Mrs. William J. Ezickson; second vice-president, Mrs. George Mickley; treasurer, Mrs. Lloyd B. Edgerton; secretary, Mrs. J. H. Baker; assistant secretary, Mrs. Charles Harnden, and two new members of the Board of Directors, Mrs. Ben Taylor and Mrs. J. L. Minick.

At the organization's meeting December 14, at 12.30, there will be a Christmas luncheon and party for members only. In the Membership Drive under way, each member is asked to bring into the organization one new member before the meeting on February 2. The Mulieres will begin their series of monthly parties in January. These will continue until sometime in May.

Legion Warned Against Communism by Judge

McDevitt Tells of Red Inroads; Speakman Portrait Unveiled

AT ARMISTICE DINNER

"In five years Communism must be stamped out in the United States, or, if it is permitted to grow in strength at its present rate, it will destroy the American form of government," Judge Harry S. McDevitt told Narberth's Legionnaires and their guests Wednesday night at the Harold D. Speakman Post's annual banquet.

Before the gathering in the Legion Room of the Community Building, the President Judge of Philadelphia's Common Pleas Court No. 1 traced the growth of Communism in the United States, told of its propaganda in schools and colleges, and particularly warned that its efforts were being directed to destroy all religion.

Prior to the dinner a portrait of Harold D. Speakman, painted by William Tefft Schwarz, of Merion, was unveiled.

Commander Frank J. Dwyer presided and presented Harvey J. Cook with the past commander's medal. Henry A. Frye was toastmaster.

Other speakers included Henry Doll, Narberth's only living member of the G. A. R.; Frank A. Schrepfer, past commander of the Military Order of the Purple Heart; John H. Jefferies, Jr., General Wayne District commissioner, and Harold L. Reese, the Legion's Ninth District commander, and the Rev. Robert E. Keighton, post chaplain.

Mr. Schrepfer said the meeting

Animal Lover Will Show Pets to P. T. A.

Daniel P. Mannix to Speak at Narberth School Monday

CLASS IN CITIZENSHIP

Narberth's Parent-Teacher Association will meet Monday evening in the school auditorium at 7.45. The usual time has been advanced fifteen minutes on account of the length of the program for both the adults and children.

Daniel P. Mannix, Rosemont, author and animal lover, will show slides and some of his unusual pets. Mr. Mannix is the author of the "Backyard Zoo" and the more recently published "More Backyard Zoo." He is the defender of what is generally considered the unpleasant animals, such as snakes, hawks, vultures and other animals of prey, which, except for prejudice, are most interesting.

Miss Clara Follette, librarian of the Narberth Public Library will give the Book Awards for the summer Travel Club. The prizes are the gifts of the Parents and Teachers' Association to encourage intelligent reading. The Salute to the Flag will

Players Will Present Maroa Baily Nov. 24

Narberth Artist Will Present "Victoria Regina" at Meeting

DRAMA FOR DECEMBER

President Bert Simpson has placed William H. "Bill" Muller in charge of the Narberth Players' next two monthly meetings, in the absence of anyone having been appointed chairman of the Entertainment Committee. However, with Mr. Muller in charge, one can always predict an evening's entertainment well worth while and for the coming two meetings he offers two exceptional attractions which should fill the house on both occasions.

Tuesday evening, November 24, in the Narberth School auditorium, at 8.30 sharp, the Players will present Maroa Baily in her dramatic revue of "Victoria Regina" in costume and with musical accompaniment. This truly great play is from the pen of Lawrence Houseman, who recreates the gallant soul of Queen Victoria. Mr. Houseman has written over thirty short plays on the life of Queen Victoria and from an historical standpoint the evening at the Players

Annual Guild Meeting

The annual ingathering of garments of the Narberth branch of the Needlework Guild will be held in the Baptist Church, Narberth, on November 18, at 2 P. M. Luncheon will be served at 12.30 P. M. The public is cordially invited. Please phone acceptances to Mrs. J. A. Caldwell, Narberth 4046J. Rev. Keighton will have charge of the devotional exercises. The guest speaker will be Miss Anna Miller, superintendent Grace Italian Baptist Church, Philadelphia. Mrs. John Bailey will render several vocal selections in her own inimitable way. The garments will be arranged for display on Tuesday evening and Wednesday morning. Directors are requested to bring their collections Tuesday evening if possible, and any one who has not been solicited and cares to donate can leave the garments at the church at either of the times mentioned. This promises to be a very interesting and instructive meeting and the fact of the worthiness of the cause is an incentive for all who can to attend the meeting and view the garments. Tea will be served at the close of the meeting.

Mickey Gavin Rapidly Recovering; Fund, \$640

Fourth Committee Gives \$75; Egyptian, \$50; Rotarians, \$10

HE MAY SEE GRID GAME

Mickey Gavin, member of last season's borough baseball team, who lost part of his right leg recently at Abington Hospital after having been injured October 12 when a heavy steel girder crushed his leg, is making a rapid recovery.

Plans by R. A. Cabrey, president of the Narberth Baseball Club, and other friends to have Mickey attend the Temple-Villanova football game Saturday will be carried out if his condition permits.

The following letter from Mr. Cabrey gives the present status of the "Mickey Gavin Fund":

Editor:

Although the deadline for contributions to the "Mickey Gavin Fund" was set for Monday, November 9, they are still coming in, which makes it impossible to announce at this writing the final amount donated. It now stands at \$640.

Plans are being made to present the gift to Mickey some time during the coming week.

The whole-hearted co-operation which has characterized this fund since the beginning is just another manifestation of the generous spirit of the borough folks, and the committee in charge appreciates greatly the support given the movement by them and the many friends of Mickey from other parts.

Special mention should be made of the two major donations received during the week—\$75 from the Narberth Fourth of July Committee and \$50 from the management of the Egyptian

Tax Collections Good

A report of Narberth's tax collector, Edwin P. Dold, read Monday evening at council meeting, indicated that current taxes are coming in nicely and that old balances are gradually being whittled down.

Balances by years are — 1933, \$232.12; 1934, \$279.50; 1935, \$547.71. Of the total 1936 duplicate of \$80,044.72 but \$26,179.17 remains to be collected.

Mr. Dold also collected \$455.64 for the borough in October from the county sheriff's office to cancel liens filed against properties in 1932.

L. M. H. S. Band Elects

New officers for the Lower Merion High School championship band have been announced by Bruce C. Beach, instructor and conductor, at the Senior High School.

They are John Blair, captain; Edward Newcomb, first lieutenant; Bernhard Brooker, second lieutenant; Crozier Bodkin, top sergeant; Benny Giangulio, supply sergeant; Samuel McCartney and Donald White, sergeants; Harry Maxwell, George Zipf, Thomas Ramsey and Bert Tily, corporals, and Kenneth Ingram, sergeant major.

Officers will be designated by the number and position of stripes they wear.

Library Head Quits

REV. R. E. KEIGHTON
president of the Narberth Community Library Board of Trustees for the last eight years who tendered his resignation from that post this week. Reason: "The library board needs new blood."

Ordinance Will Fix Penalty on Defaults

15 Per Cent to be Added After Sidewalk Notice Period Expiration

COUNCIL IN SESSION

An ordinance was passed on first reading at borough council's meeting Monday night providing for a 15 per cent penalty when, after 15 days notice, Narberth residents fail to have made sidewalk repairs, etc., ordered by the borough.

On second reading, it was indicated, the time of grace may be made longer than 15 days.

Narberth now owns outright another piece of its fire company apparatus as certificate of title to the American LaFrance type "91" Double Tank Combination Chemical and Hose Car was received by council, the final payment having been made.

William H. Durbin, Public Safety Committee chairman, reported a 20-mile speed limit sign had been removed from the property of William Ballingall at Haverford avenue and Shirley road, at Mr. Ballingall's request, "he already having two signs and a mail box on the corner . . . and since the signs cannot be enforced anyway." The sign was moved farther east by the tennis courts.

Building Committee Chairman Harvey Harman reported that Building Inspector George B. Supplee issued eight permits for an estimated cost of construction of \$1468 and also made 83 inspections during October. Principal permit was for a two-car garage for Paul F. Neff, 216 Essex avenue, cost \$700.

Playground report of Paul King, supervisor, was read by Mr. Durbin.

Business Men Plan Christmas Lights

Dues Needed to Finance Decorations for Street

COUNCIL TO NOMINATE

Narberth's Business Council decided Monday night to illuminate the business section and have Yuletide decorations as usual, this Christmas. President Joseph Adelizzi appointed a nominating committee — Howard Cotter, Thomas Elwood and Max Braslow—to suggest officers for election at the December meeting.

The resignation of Mrs. Eberhardt Mueller, due to press of other activities, was accepted with regret, and she was made an honorary member. New members greeted were George Campsen and James Murtaugh, the Forest Lane Flower Shop; and Mr. Ashordian, Royal Cleaners and Dyers.

Treasurer Harry Hollar reported a balance of \$71.31, which will necessitate payment of dues of all members and contributions of many business people, in order to finance the Christmas decorations this year.

Chairman Marios Chios of the Mardi Gras said its expenses, \$90.05, were approximately covered by contributions.

New Health Board Possible in January

Terms of All Members Will Have Expired by Year's End

BUDGET GIVEN COUNCIL

Terms of all Narberth's Health Board members have expired, or will expire before the end of 1936, it was learned at borough council meeting Monday. It is, therefore, within the power of council to appoint an entirely new board in January.

William H. Fretz, council president, read from memoranda that the following is the status of the present members:

Dr. George A. Sloan, president of board, sworn in in 1928 for three-year term.

Tristan B. duMarais, vice-president, no record of when term started, but is no longer eligible for board membership as he is a non-resident, living in Villanova.

W. D. R. Evans, sworn in for five-year term in 1924.

Wharton B. Carroll, no record of when term started.

Mrs. R. C. Hoffman, sworn in for five-year term in December, 1931. Term expires next month.

All members, with the exception of Mrs. Hoffman, according to councilmen, are now serving without reappointment because no one was appointed in their places. Councilmen admitted that the borough government had been a bit lax in not making appointments or reappointments when due.

It was decided that Dr. Sloan or

"Horse Thieves" Meet Saturday at Ardmore

Judge Dannehower to Address Former Law-Enforcement Body

WILL DINE ON OYSTERS

The "Horse Thieves" will meet again this Saturday and on this annual occasion, most properly, before a judge.

This society, more formally known as the Lower Merion Society for the Recovery of Stolen Horses and the Detection of Horse Thieves, will enjoy its annual oyster supper in Masonic Hall, Ardmore, November 14, at 5 P. M.

Speakers at the century-old organization's meeting will be Judge William F. Dannehower, of the Montgomery County Courts, and Julian Barnard, Norristown attorney.

Each of the 165 members who is late will be fined 25 cents in accordance with an old custom. A business meeting will precede the 6.30 supper.

Officers are Luther C. Parsons, Cynwyd, head of the society for the last 20 years; Walter Latch, vice-president; Richard J. Hamilton, secretary, and Dr. Clifford H. Arnold, treasurer.

The School Directors' Association of Montgomery County will hold its ninety-second meeting at the Rittenhouse Junior High School, Norristown, Tuesday, with sessions at 10 A. M. and 1.30 P. M.

Narberth's relief cases continued at four last week, while Lower Merion's cases increased one to thirty-eight.

C. Walton Hale, Wayne, is the new president of the Main Line Kiwanis Club.

Tomorrow, following the Haverford-Randolph-Macon football game, will be observed as Fall Alumni Day at Haverford College.

Let's Skip the Flasks

Here's a suggestion to the Lower Merion School Board that should have the endorsement of every Main Line parent who attended the Norristown game at Villanova last Saturday:

Let's drop Norristown from the football schedule.

Not because that borough won the football game. It is on the contrary a salutary thing for Maroon and White grid warriors to meet tough opposition.

But "tough" describes not only the opposing players. The Norristown rooters included too many who drank. Toting hip flasks of whiskey cannot be condoned in a high school crowd. Lower Merion's boys and girls are not lily-whites, but they're too fine to be permitted contaminating examples.

And if any rooters—Norristown, Lower Merion or whatever—no matter how young or old, are going to set a public-drinking example for young people 17 years old and less, the school authorities should demand the co-operation of our township police to tone the drinking down, at least. Lower Merion is not a university for men and women. It is a high school for boys and girls. Let's keep it so.

That's My Story

Those notices in the bulletin boards of some churches, they get me. Some are terribly banal, like the huge red electric sign high over one church, "Jesus Saves," that make you wonder why some local bank doesn't pay half the sign's cost.

But there are others that get me because, like so many of the beautiful bits of wisdom in the Bible, there is such sweet simplicity to their truth. I quote as illustrations two, roughly, from memory:

So live that you may fill life's cup to its sparkling brim—rather than draining it to its bitter dregs.

To be great a man must be a servant of a cause bigger than himself.

TOM ELWOOD.

Second Concert for Youth

The Second Concert for Youth will be held at the Academy of Music Wednesday evening at 8 o'clock. Leopold Stokowski will conduct.

The soloist will be Miss Mary Earp, contralto, who won the vocal auditions. Miss Earp, who lives in Bryn Mawr, is the daughter of Canon Ernest E. Earp, rector of the Church of the Redeemer.

Immediately following intermission the Upper Darby High School A Cappella Chorus, Clyde R. Dengler, director, will sing "Voyage of the Mayflower," by Paul White, whose "Five Miniatures" were introduced to Philadelphia by Jose Iturbi last season.

Political Pot

Editor, OUR TOWN:

To judge from the recent election, everyone is out of step but Montgomery County in general, and Narberth in particular. Yet thinking people may rightly believe that the nation advanced fifty years on November third.

Possibly the G. O. P. campaign managers discovered that the truth is mightier than fiction. May I suggest that OUR TOWN sticks to local politics and does not stray into national affairs of which it seems to know nothing.

Very truly yours,

A. E. WOHLERT.

Editor's Note: Letters to newspapers will convert few local voters, but may we suggest to Mr. Wohlert that he act as the harmonizer among the 'steep varieties of local New Deal and Democratic factions. If a few of the local Democratic New Dealers would only speak to each other, they might win a local election.

Archibald Allen, 80, West Manayunk, through Attorney Walter B. Faries, Cynwyd, has filed suit in the county court against Lower Merion Township for \$500 damages. Allen was caught in a net by dogcatchers when he resisted them last April during the rabies quarantine.

Local Movies

'Seven Sinners' at Narberth;
'Gorgeous Hussy' Mon., Tues.

Edmund Lowe and Constance Cummings are co-starred in "Seven Sinners," at the Narberth Theatre this week-end. It is a Gaumont British production based on the story by Arnold Ridley and Bernard Merivale. A special added attraction at the Saturday one o'clock matinee is "White Fang," a sequel to Jack London's "Call of the Wild."

In "The Gorgeous Hussy" Monday and Tuesday, Joan Crawford is seen as the tavern keeper's daughter, who becomes Democracy's first lady. Lionel Barrymore superbly plays the role of Andrew Jackson, seventh President of the United States, while Robert Taylor is a young naval officer.

A sparkling comedy, "Nobody's Fool," with Edward Everett Horton, is the feature for Wednesday (Cash Award Night).

Next Thursday, Friday and Saturday James Fenimore Cooper's classic of pioneer days, "The Last of the Mohicans," comes to the Narberth. Featured players are Randolph Scott, Binnie Barnes, Bruce Cabot and Henry Wilcoxon.

Big Three-Hour Show—"The Great Ziegfeld"—Egyptian

Greatest entertainment treat in cinema history, according to Showman Joseph Conway, of the Egyptian Theatre, is "The Great Ziegfeld," which begins a five-day run this Friday. It is being shown in its entirety exactly as presented at the Chestnut Street Opera House. The cast includes William Powell, Myrna

Syndicate of Dog Thieves
Believed Operating Here

Peter C. Barr, operating manager of the Animal Owners Protective Association of Pennsylvania, believes dog thieves belonging to a syndicate are operating in this locality.

Under his investigation is the case of a three-year-old dog taken from the car of Mrs. Evelyn Smith, of Bolder lane, Wynnewood, while parked at the Ardmore railroad station.

Members of the syndicate, according to Barr, steal hunting dogs, transport them to other sections and sell them to hunters.

Monday a cocker spaniel was stolen from the lawn of Governor George H. Earle's home, Grays lane, Haver-

ford, the dog's owner, Mrs. J. J. Fallon, the Earles' next door neighbor, will be evening performances of the reported to Mr. Barr.

Girl Scout News

A formal opening was held by the Narberth Girl Scout Troop 125 Monday evening. Mrs. Doty gave out the prizes for the cookie sale to the following: first, Elaine Starr, who sold 72 pounds; second, Mary McCafferty, 52 pounds; third, Helen Doty, 49 pounds; fourth, Claire Robinson, 45 pounds. Two additional prizes were given to Harriet Nold and Mary Jo Dunnington for trying hard. We studied the sheep bend and learned two new songs. After the meeting a Court of Honor was held by the patrol leaders, treasurer and scribe.

Scribe, BETTY HOLLAR.

Narberth Girl Scout Troop No. 8 had a Halloween party at which most of our girls appeared in costume.

Little cakes, candy and cider was served by the refreshment committee. All had a splendid time. When good-night circle had been called, Taps closed a happy evening.

This week we had election of patrols and patrol leaders. Our troop now has four patrols—Cardinal, Eagle, Oriole and Sunflower.

A doll show is planned in the future.

C. A. R. Elects Officers

The Children's American Revolution Society of the Dr. Benjamin Rush Chapter, D. A. R., met at the home of the Senior President, Mrs. John C. Nash, on Wynnedale road, Saturday. Officers elected were: President, John Woodcock; recording secretary, Sonia Anderson; corresponding secretary, Suzanne Hewitt; registrar, Helen Doty; treasurer, Allen Doty; historian, Patsy Cooke; color bearer, Dick Woodcock.

There was a historical talk followed by the playing of games and refreshments were served. There are 12 members of the society and two prospective members. Meetings will be held on the first Saturday of each month. On December 5, the members will make a pilgrimage to the Betsy Ross house in Philadelphia.

Egyptian's Biggest

Last week was the biggest in the Egyptian Theatre's history, according to Manager Joseph Conway. Eclipsed were all records for attendance. The recognition of the Egyptian's entertainment value is extended to continue the next five days, when "The Great Ziegfeld" will be presented—"the biggest entertainment value in cinema history." Starting this Friday, at 6 and 9 P. M., the three-hour show will be given in its entirety,

just as it appeared at the Chestnut Street Opera House, and at no increase in admission price.

SUPPLEE BRINGS SEALTEST ADVANTAGES TO YOU AND YOUR FAMILY

MILK is the most fragile of foods. Its purity must be guarded more than any other food you eat or drink. So it becomes doubly important that you have confidence in your milk company.

Supplee has been in the dairy business for 132 years. During this time, Supplee has pioneered in developing scientific safeguards for milk. Today, Supplee maintains the largest staff for milk-protection of any dairy in your community.

Now Supplee offers the advantages of the SEALTEST SYSTEM OF LABORATORY PROTECTION—and presents Supplee Sealtest Premier "A" Milk.

What is the Sealtest System? It is a partnership of more than 100 dairy laboratories, under the direction of leading dairy scientists. Every scientific discovery in milk-research made in one of these laboratories immediately becomes available to the whole group.

Supplee Sealtest Premier "A" Milk enjoys every protection of the Sealtest System. The strictness of Sealtest requirements is guaranteed as advertised in "Good Housekeeping." Your family will like this delicious milk. Just telephone Bryn Mawr 881 or call our salesman who passes your door twice a day.

The Sealtest Symbol on the hood-cap of your bottle of Supplee Sealtest Premier "A" Milk means extra purity. This delicious milk has a full teaspoon of cream in every quart. It's extra rich and extra pure!

WFIL Again Seeks Tower Site in Bala

Counsel Says Reception Interference Objection is Theoretical

OPPOSED 2 YEARS AGO

WFIL Broadcasting Company again plans to locate its 5,000-watt broadcasting tower in Bala. This was learned last week, when legal notices were given an Ardmore paper announcing a hearing by the Lower Merion Board of Adjustment, 7:30 P. M. next Thursday, the 19th, at the Township Building, Ardmore.

Exception is sought from the Lower Merion Zoning Ordinance, which decrees an "A" residence district in the part of West Laurel Hill Cemetery Company grounds where WFIL would erect a radio tower, control station and garage.

The proposed site is on the east side of Glen road (which parallels City Line, connects Monument road and the Schuylkill), 1300 feet north of City Line.

Tuesday night at the Neighborhood Club's board meeting, information about the new application was asked of Frank H. Mancill, former township commission president, who said he represents WFIL as a radio-minded attorney who has been counsel for Atwater Kent. Using Atwater Kents and other sets, he said he had conducted tests alongside other stations, and satisfied not only himself, but also Walter R. Faries, Bala radio amateur, that within a mile's radius of a station such as WFIL the interference with reception is theoretical rather than actual.

He repeated WFIL's offer, made two years ago, that its engineers will make a slight adjustment without charge, to any sets whose reception is impaired after WFIL starts broadcasting nearby. And he said no modern sets, bought in the past five years or so, will be impaired at all.

President H. G. Mattoon appointed a committee to make tests with Mr. Mancill near WCAU's 50,000-watt tower in Newtown Square, this Saturday morning. They are J. Walter Tobin, H. A. Klinedinst and James H. Bartlett. If they are satisfied with the reception, it is expected the club will make no protest next Thursday.

Two years ago WFIL's application for a zoning variance referred to a point 750 feet east of Monument road and 717 feet north of City Line. It was opposed by the Neighborhood

Formal Japanese Gardens Flowerless

"Japanese Gardens," said Mrs. Arthur Hoyt Scott, speaker at the Garden Club of Bala-Cynwyd last Thursday morning "are unlike the gardens of this country because they are flowerless." These formal gardens are large, ranging from 400 acres to 1000 acres or may be a small enclosed place. Some of the larger gardens are called Stroll Gardens. Each of these Japanese gardens must have rocks and evergreens as these two factors are traditional to the country. In regard to flower arrangements, these are made each day and are made according to the decorations of the room. In Japan, flowers are raised in the vegetable gardens. The Azalea is not allowed to bloom in the gardens and is often planted at the foot of a sunny slope where it blooms in great masses.

She also told of her visit to French gardens, and stated that the French do not plant flowers in their formal gardens. She spoke of the cordial reception given in both countries to the members of the Garden Club of America, who were on a tour to exchange cultural ideas in regard to gardens and also spoke of the customs of Japan and showed many interesting articles and presents given to her by her hosts and hostesses. A short discussion followed.

Mrs. Scott is the vice-chairman of the Horticulture Committee of the Garden Club of America, Executive Council of the Pennsylvania Horticultural Society and the American Horticulture Society in Washington. She is the founder of the Scott Arboretum.

Miss Bader Engaged

Mr. and Mrs. Daniel S. Bader, of Merion, announce the engagement of their daughter, Miss Kathryn Cecil Bader, and Mr. Michael C. McManus, son of Mr. and Mrs. Michael T. McManus, of Philadelphia.

Miss Bader is a graduate of St. Leonard's Academy.

Mr. McManus graduated from St. Joseph's College and the Temple University Law School.

Club after Mr. Faries presented a petition of Bala residents against the station, and the Board of Adjustment declined WFIL's application March 28, 1935.

What changes the situation, according to Mr. Mancill, is that since then the Federal Communications Commission has approved WFIL's license.

Republican Women to Attend Convention

Mrs. Huber to Head Delegates of Lower Merion Council

MEET AT HARRISBURG

Backed by a record of noteworthy success in the November election, the Lower Merion and Narberth Council of Republican Women will be represented at the annual convention of the Pennsylvania Council of Republican Women at Harrisburg next week by a group of delegates and alternates headed by the president of the council, Mrs. John Y. Huber, Jr.

Unlike many delegations, the local unit will have the satisfaction of taking pride in the results of the balloting in the Presidential election, and it is reasonable to assume that State leaders will recognize the part played by Mrs. Huber and her associates in the Republican victory in this district.

Throughout the campaign the women of Lower Merion and Narberth were indefatigable in their endeavors to insure a Republican success. The overwhelming majorities accorded all Republican candidates were due in no small measure to the enthusiastic support the women gave to the ticket.

The council will be represented by Mrs. John Y. Huber, Jr., president; Mrs. H. Tatnall Brown, Jr., honorary president; Mrs. John T. Twaddell, Mrs. Carl H. Zipf, Mrs. Helen G. Greenwood, Mrs. Warwick Potter Scott and Mrs. Herman Schwartz.

Join Penn Sororities

U. S. World War Cost
100 Billions, Asserts Keim

"Cost of Wars" featured the Armistice Day meeting of the Bala-Cynwyd-Narberth Rotary Club, held at the Overbrook Golf Club Tuesday.

Hervey C. Keim, of Dudley avenue, Narberth, a member of the club and a certified public accountant, was the speaker.

Pointing out that the cost of all wars from the Napoleonic wars, beginning in 1793, up to 1910 was 23 billion dollars, the speaker said that the direct cost of the World War was 200 billion dollars.

"The cost of the World War to the United States," Keim said, "was 45 billion but the time the last Liberty bond is paid, the last bonus certificate is cashed, the last pension paid and the last disabled veteran buried, its cost to the citizens of the United States will exceed 100 billion dollars."

The speaker predicted that the next war will be fought in the air and that airplanes loaded with incendiary and gas bombs would wipe out whole cities.

W. James Drennen, vice-president of the club, presided at the meeting.

Economic Welfare Chairman
Addresses Merion League

Mrs. Willis T. Spivey, State Chairman of Economic Welfare, addressed the Merion Branch of League of Women Voters Wednesday afternoon at the home of Mrs. J. Bruce Byall on Bryn Mawr avenue, Penn. Valley. Her topic was "The League of Women Voters—What and Why." She stated that the league was a fine vehicle for women to study civics, political economy, law, human rights, history of politics, neutrality and other subjects. She showed pamphlets issued by the league on all these subjects, available to all the members for study. She spoke of the non-partisan attitude in the past campaign. As to the accomplishments of the league throughout the country, she told of the Child Labor Amendment passed in twenty-four states and the Minimum Wage Law. One of the definite projects of the league is a sound Civil Service reform.

Mrs. J. Alden Tift, chairman, presided. Mrs. William H. Gehmann, chairman of Montgomery County, announced a luncheon at the Valley Forge Inn in Norristown on December 1 at 12.30, when the representatives, senators and their wives will be present.

Mrs. Earl G. Wagner and Mrs. Frank Smith were the assistant hostesses.

Sub-Juniors' Christmas
Work Gets Under Way

The sub junior division of the Narberth Community Club has selected as its first project the making of scrap books to be distributed among the needy children in Narberth and surrounding communities. These scrap books consist of colored pictures pasted on art paper of a harmonizing color.

Small dolls will also be dressed by the members in ample time to be distributed for Christmas.

Tickets for the movie benefit, "The Last of the Mohicans" were distributed to members by Sonia Anderson, chairman of the Ticket Committee, and every girl was urged to sell five tickets.

The next meeting is November 20.

other health board members might appear before the December meeting of council to speak in behalf of the Board of Health Budget which was submitted Monday night, but on which action was deferred until next month.

The proposed Board of Health Budget is for \$2500 which includes "Milk Control Work—\$1200" and "Medical Service—\$300." Council, it was said, has no jurisdiction on how funds it appropriates for the Board of Health are used, but the solons do have the power of appointing members of the board.

No official mention was made at council meeting of the recent Board of Health meeting when a plan was proposed to withdraw from Milk Control District No. 1 and make Dr. Sloan milk control officer at a salary of \$1200 a year—a plan strongly opposed by Mrs. Hoffman.

An interpretation of the Health Board's monthly technical report on the condition of water, milk and ice cream was given to councilmen by Wharton B. Carroll, committee member from Narberth on Milk Control District No. 1.

Book Week at Library

The Narberth Community Library will celebrate Book Week, November 15-21, with appropriate exhibits and activities.

Book Week as an adult affair as well as the children's, will be recognized with an exhibit of the books of the year for adults, and the new purchases for children.

A graded list of the best books in the children's department has been prepared especially for Book Week. Both teachers and parents have expressed the desire for such a list. There is also a subject index listing the same books under such headings as DOGS—STORIES, PENNSYLVANIA, HANDICRAFT, and UNITED STATES—HISTORY—REVOLUTION—STORIES. A limited number of leaflets, bearing the Book Week slogan, "Books to grow on," one for each of the first eight grades, will be distributed to children visiting the library during the week.

The Story Hour will hold its first session Monday afternoon, from 4-5 P. M. All children of the community in kindergarten or the first four grades of school are welcome. In connection with the Story Hour, a reading club will be organized. This departure is in response to requests from children for a winter club like the summer Travel Club. The charter members will select a name for the club. Dues will be 2c for the season and will be used for prizes for the individuals having accomplished most in the club during the season. Children may attend the story hour without joining the reading club if they wish.

The Travel Club will meet with the Narberth Parent-Teachers' Association, Monday evening in the school auditorium. They will receive their certificates and prizes at that time. The members will be privileged in hearing a talk by Daniel P. Mannix, author of "Backyard Zoo."

Annual Guild Meeting

The annual ingathering of garments of the Narberth branch of the Needlework Guild will be held in the Baptist Church, Narberth, on November 18, at 2 P. M. Luncheon will be served at 12:30 P. M. The public is cordially invited. Please phone acceptances to Mrs. J. A. Caldwell, Narberth 40463. Rev. Keighton will have charge of the devotional exercises. The guest speaker will be Miss Anna Miller, superintendent Grace Italian Baptist Church, Philadelphia. Mrs. John Bailey will render several vocal selections in her own inimitable way. The garments will be arranged for display on Tuesday evening and Wednesday morning. Directors are requested to bring their collections Tuesday evening if possible, and any one who has not been solicited and cares to donate can leave the garments at the church at either of the times mentioned. This promises to be a very interesting and instructive meeting and the fact of the worthiness of the cause is an incentive for all who can to attend the meeting and view the garments. Tea will be served at the close of the meeting.

Wohlert Would Aid N. J.

The Freeholders of Cape May County, New Jersey, have accepted a suggestion by A. E. Wohlert, Narberth's Garden Nurseries head, to beautify the county as Washington was beautified, by the planting of 5,000 to 10,000 flowering trees along the highways, at a cost of about a dollar a tree. The first start has been made by planting 35,000 hollyhocks. Along the same line, one Freeholder has proposed to the New Jersey Legislature that \$150,000 be set aside for publicity purposes for South Jersey resorts.

THE MARCH OF BUSINESS

A Review of Commercial and Professional Activity Throughout The Eastern Main Line

Advt.

ADELIZZI BROS. RECOGNIZED ON MAIN LINE AS EXPERT CLEANERS AND DYERS

It is quite a problem to many of us just whom to select for the cleaning, dyeing and tailoring of our clothes, particularly when we are dress-conscious. This reviewer has found from long experience that there is one firm that can solve every problem in this respect. We refer to Adelizzi Brothers, with establishments at 102 Forest avenue, Narberth, and 228 Bala avenue, Bala-Cynwyd, who have oft-times taken the responsibility for correct dress off the shoulders of many well-tailored local residents.

The firm consists of Joseph C., Matthew P. and Harry Adelizzi. These men have been in this business practically all their lives and established here since 1922. During these many years they have served the communities of the Main Line faithfully and efficiently. When they agree to clean and dye any article it is done properly and exactly as requested. Their customers are always assured practically a new garment when it is returned to them.

This firm has grown to its present proportions in patronage due to the fact that it has always rendered a service that has been most satisfactory. There is no angle of the business of which the Adelizzis do not have a thorough understanding.

Every article is returned to its owner exactly as it was received, except that it is spotlessly clean, without loss of color. Their charges are within keeping of their type of work, and still to be found as reasonable as any other high-class establishment.

In addition to the cleaning and dyeing service, Adelizzi Brothers maintain a department for women's and men's custom tailoring, also for renovating furs. They have a splendid reputation of being very efficient in this type of work as well as in all types of alterations.

They are always pleased to offer their customers helpful suggestions and information, and estimates on any custom tailoring, alterations, cleaning and dyeing work. They provide satisfactory service at all times and never deviate from this principle. They are just as near you as your telephone (Narberth 2602 and Cynwyd 928). Merchants as conscientious as Joseph C. Adelizzi and his brothers are worthy of the large business they have developed. Incidentally, Joseph Adelizzi is president of the Narberth Business Council and also active in all other community affairs.

PENSHURST FARMS OF PENN VALLEY HAVE A UNIQUE AND IMPRESSIVE BACKGROUND

This reviewer believes that milk should head the food list of all housewives, because it is one of the foods which the body should have to develop normally and to keep fit. Doctors recommend a quart of milk a day as one of the most excellent foods that a person can take as it is rich in proteins, contains calcium, phosphorus and vitamins which build bone, muscle and body tissue. There is no doubt that these elements are most necessary for the health of children and adults alike. Milk is one of our most important food products, containing as it does all of the ingredients needed for a balanced ration.

Statistics have proven that milk-drinking families are usually outstandingly healthy. The fact that milk does contain such splendid food qualities means, of course, that there is no waste. There are so many ways of using milk in the daily meals of the whole family.

As this is such an important item of food, great care should be taken by consumers to see that their supply comes from a reliable source. With this thought in mind, we wish to recommend a most interesting organization, namely, Penshurst Farms, located on Hagysford road, Penn Valley. Mr. Percival Roberts, Jr., owner, and Dr. E. S. Deubler, general manager, have many years of experience behind them in the study of cattle, milk and its by-products. Indirectly, they have given valuable service to the public through the medium of their farm, for their fine product is distributed by Abbotts Dairies, one of the largest independent dairy organizations in this country, and one whose products have been favorably known for the last sixty years for their exceptionally fine quality.

Penshurst Farms is a dependable organization whose dairy products are pure and wholesome. Regular inspections are made and the greatest care is given to the handling of milk and its by-products. Sanitation and cleanliness is of extreme importance in this business and Penshurst Farms bears a well-earned reputation in this respect.

An interesting feature of Penshurst Farms is the fact that they have a herd of the most noted cattle in the United States, imported from Ayrshire, Scotland. Last year they received twelve head of these cattle and this year another shipment of twelve head were received.

They also ship cattle to all points in the United States and Europe. Only a few days ago, they sold and shipped one head to Peru, South America.

The Penshurst Farms is one of the most interesting organizations that we have in our community. It is really an important cog in the business activity of Montgomery County and we are proud to give it this public notice.

SHEA'S OYSTER BAR, NARBERTH, DESERVES WELL-MERITED POPULARITY & PATRONAGE

At Shea's Oyster Bar, which is located at 242 Haverford avenue, Narberth, we have one of the most appetizing dining places in this section. Nothing could be more agreeable than to have your luncheon or dinner at this establishment where the food, beverages and service are of the finest.

Francis J. Shea, the proprietor, has made his present establishment well known as a source for excellent wines, liquors and beer, fine luncheons and tasty sandwiches. During the time that he has been established at the above address he has attained quite a reputation for his congeniality and hospitality.

For those who desire fresh sea food, or a delicious sandwich, or a well-prepared luncheon, may we suggest Shea's Oyster Bar. A more delightful place would be hard to find hereabouts. It needs no further recommendation from this source. Mr. Shea's pleased customers are glad to carry the word of the success of this establishment throughout the community.

Let it be noted that only the most choice domestic and imported wines, liquors and beer are always served and what is more and very important, the prices are always reasonable.

There is a personal touch at Shea's Oyster Bar that has won every patron's approval. A keen memory of each person's likes and dislikes has enabled Mr. Shea to offer a service that never fails to please. There is always a goodly number of genial patrons on hand which is outstanding proof that his splendid hospitality is well appreciated by the residents of this section.

To our readers who may not be acquainted with Shea's Oyster Bar, we suggest a visit there and we promise the outcome of that visit will not be disappointing.

Aid Peace Demonstration

Two Main Line women took an active part in a mass demonstration for peace in Philadelphia over the weekend.

Mrs. Howard Wayne Smith, 111 Walnut avenue, Ardmore, wife of Dr. Smith, pastor of the Ardmore Baptist Church, and Mrs. H. Childs

Hodgens, of 34 Lodges lane, Cynwyd, president of the Philadelphia Federation of Women's Clubs, acted on the committee.

If your community's worth living in, it's worth actively supporting—churches, clubs, library, fire company, town paper, school activities, etc.

GARDEN NURSERIES NOTED FOR EXCEPTIONAL COLLECTION OF FLOWERING TREES

In reviewing the achievements of local individuals and enterprises, this writer wishes to call attention to an individual and enterprise that has accomplished lasting results. The brief data we herewith present to our readers is most interesting, particularly to those who appreciate nature's gifts in horticulture. The individual we refer to is Mr. Anton E. Wohlert and the enterprise is The Garden Nurseries, of which he is head, located on Montgomery avenue, Penn Valley, Narberth.

Mr. Wohlert has specialized in flowering trees for over a quarter of a century and during that time, has made every effort to produce quality material. He has established a splendid reputation for fair dealing and his Garden Nurseries is maintaining its lead as the premier nursery on their leading specialty, Flowering Trees.

When stock is shipped out, it is freshly dug, and up to size ordered. They are one of the few nurseries that can afford to make inquiries of customers regarding the shipping results and always receive information to the effect that their stock arrived at its destination in better condition than plant material purchased within fifteen miles of the consignee's home.

Among the flowering trees produced by The Garden Nurseries are a most beautiful collection of Japanese Rose-flowering Cherries in America; Flowering Crabs of rare beauty not equalled anywhere in the United States; Pink Dogwood and also Chinese Magnolias in ten varieties or more.

All of these varieties of flowering trees may be had in sizes ranging from two to three feet, up to fifteen feet. In addition to these, Garden Nurseries also offer unusual varieties of Wistaria, some of which produce flower clusters five feet long.

The parks, boulevards and public grounds of many cities, have been transformed into places of lasting beauty through the medium of graceful flowering trees of the Orient which were supplied by Anton E. Wohlert. Most noteworthy of these is Potomac Park in Washington, D. C., where the cherry blossom season attracts thousands of visitors from far and wide. Garden Nurseries also supplied material for the cherry plantings in Fairmount Park, Philadelphia; Druid Hill Park, Baltimore; Oakman boulevard, Detroit; and in St. Louis, which also draw throngs to enjoy the acres upon acres of lovely bloom each spring. A few other cities for which the Garden Nurseries have supplied flowering trees are Boston (City Park), Atlantic City (City Park), Bronx, New York (City Park), New Haven, Conn. (Yale University), Guelph, Ontario, Canada (Ontario Agricultural College), Hilo and Honolulu, Hawaiian Islands, etc., etc.

Flowering trees are very effective either in small groups or in large plantings. They require very little care and may be grown successfully without special preparation in almost any section of the country.

This paper and the community-at-large are really proud of the achievements of Anton E. Wohlert and The Garden Nurseries.

DELICATESSEN STORE OF HARRY H. HAMER OFFERS SERVICE OF DISTINCTIVE NATURE

In looking over the list of food stores throughout the eastern section of the Main Line, we find one to be very progressive indeed. We refer to Hamer's Delicatessen Store, which is located at 238 Haverford avenue, Narberth.

Mr. Harry H. Hamer, who conducts this very efficient establishment, started his business here about nine years ago. He is noted for always catering to his customers. He extends the type of service that the most exacting patron is sure to appreciate. The Hamer Delicatessen Store is very attractive with its well stocked shelves and wherein an atmosphere of good taste prevails. He is to be congratulated for his progressive ideas and his foresight in keeping the store always modern.

This store has been mentioned by many persons as one of the best in the vicinity, due to the fact that the highest quality of food stuffs are offered. It is always well stocked with all nationally known standard brands of groceries, domestic and imported delicacies and the highest grade of butter, eggs, cheese and other dairy products. Hamer ice cream is also very popular with customers because it is so delicious. Incidentally, Mr. Hamer is the only distributor of beer for home consumption in Narberth. In addition, he also carries a most complete line of the ever popular

Birds Eye frozen products. The local housewife can always depend on anything she purchases here to be of the FINEST quality.

When one considers the sanitary condition of this delicatessen store, the clean way in which it is kept and the wide selection of foodstuffs, the prompt and courteous service rendered, one can appreciate why Harry H. Hamer has become so popular with many residents throughout the community.

He has built a splendid reputation for the sound quality of the many food items he sells and is noted for always making an effort to offer the variety of merchandise most desired by his patrons. He is always on the alert to please his customers. As a result of his excellent business methods, he has acquired the satisfaction of serving many families, not only throughout Narberth, but adjacent sections. This paper does not hesitate highly recommending Hamer's Delicatessen Store to the most discriminating shopper.

Mr. Hamer has been a resident of Narberth for the past 34 years. He was born and raised here. Aside from his business, he always interests himself in all civic movements and community progress. He is a member of the Narberth Board of Trade, and also of the Lower Merion Rod and Gun Club.

Style Experts to Talk on 'New Horizons in Decorations'

An interesting and practical program awaits all those who attend the lecture and ensemble exhibition at the Hardwick & Magee Store, 1220 Market street, this Wednesday, November 18, at 2.30. The public is cordially invited to attend.

The informal talk "New Horizons in Decorations" will be given by Miss Rose Mary Fisk, of New York City, and at present, consultant of the Style Trend Council and formerly editor of the House and Garden and member of the Chicago Art Museum.

To all those in attendance, an interesting twenty-four page book will be presented giving helpful hints and basic principles on interior decoration.

At Hedgerow Theatre

Scheduled tonight at Hedgerow Theatre at Moylan is Shaw's "Saint Joan," with Catherine Rieser in the title role. Saturday will see Hedgerow's 150th performance of O'Neill's "The Emperor Jones." "Cast Up by the Sea," from the book by Stephen Leacock, will be given next Thursday.

Hunters Not Welcome in Penn Valley Section

Persons found hunting in Penn Valley without permission from the owners of the land will be arrested and brought before a magistrate for a hearing.

This announcement was made by Guy Croyle, chairman of the Penn Valley Association Hunting Committee.

The association has secured authority from the great majority of land owners in Penn Valley to post the ground against hunting.

Men have been engaged by the association to patrol the ground to enforce the restriction.

Artist Pupils in Recital

The Bryn Mawr Conservatory of Music announces a recital by artist pupils of Josef Wissow Sunday afternoon at 3 P. M., when works of Chopin, Bach, Liszt and DeFalla will be heard. On Tuesday afternoon, Miss Frances McCollin will give an illustrated musical talk about the program of the Youth Concert of the Philadelphia Orchestra.

DR. WM. G. WALTON, NOTED OPTOMETRIST OF MERION, OFFERS DISTINCTIVE SERVICE

There is no doubt that the eyes are among the most important organs of the human anatomy. At the least sign of trouble it is to an optometrist that we must turn for the correction of our vision in order to preserve this all-important faculty—our sight. A prominent Main Line optometrist is Dr. William G. Walton, whose residence office is located at 417 Anthwyn road, Merion, where patients are received by appointment only. He also maintains a Philadelphia office at 4444 Germantown avenue.

Dr. Walton is an optometrist of reliability, having had a thorough training in optometry, graduating from Franklin Institute of Optics, class of 1897; studied at South Bend College of Optics, 1906, and Philadelphia College of Optometry, 1907; took post graduate courses in scientific section, Rochester, 1913, and Pennsylvania State College of Optometry, 1930. He was one of the founders of and is a trustee of the Pennsylvania College of Optometry, located in Philadelphia.

During the long time he has been practicing he has earned a splendid

reputation. He serves a fine clientele and always endeavors to advance the best interests of his patients and the profession. His examination rooms are completely equipped with every instrument which may be needed in a thorough examination.

When new instruments were developed to enable the thorough practitioner more accurately, carefully and completely to care for his patients, they were always immediately purchased, for Dr. Walton has always realized that the examination room is the heart of ethical optometric procedure. He himself has invented several of the instruments used in the examination of the eyes.

It is only by a thorough and complete examination, delving deeply with all the practitioner's knowledge into the condition of the patient's eyes, that an accurate and satisfactory prescription is possible. Therefore the office of Dr. Walton is completely equipped with every instrument at the command of modern science so that he may be able to extend a satisfactory service to his host of patients.

THE HANSELL BROS.' SERVICE STATION A VALUABLE ASSET TO LOCAL CAR OWNERS

Service stations are so numerous throughout the Main Line that only the ones above the average will appeal to the motoring public. Every motorist appreciates a reliable service station wherein his various automobile needs—from gasoline, oil and lubrication to the changing of a tire—can be done quickly and efficiently.

An establishment which has met with favor among many exacting motorists throughout this section of the Main Line is Hansell Brothers Service Station at 925 Montgomery avenue, Narberth. This station is owned and operated by Charles and George Hansell, who have built up an excellent trade as a result of giving satisfaction to local car owners in more ways than one. You can be sure that your car will always receive proper attention here and that it will be supplied with the finest type of gasoline and oils obtainable today, namely, "Atlantic." Lee tires and a complete stock of accessories are also carried by this efficient station.

It can be fully depended upon at all

times to do all the usual work required on automobiles promptly and reasonably. When your car needs lubricating we suggest Hansell Brothers' Service Station, where you are assured of satisfactory results. Many local motorists have found from bitter experience that proper lubrication is very important to any automobile. "Your car works under a handicap in cold weather when lubrication is neglected," the Hansell Brothers were heard to say the other day. "You save it and yourself expense by having it looked over frequently." They are fully equipped for any and all kinds of winter work that is required of them.

Charles and George Hansell have had over fourteen years of experience in their particular line. They know from this experience that it always pays to give their customers satisfactory service, and by so doing they have established an excellent reputation for dependability and responsibility. This paper highly recommends their service station to all car owners throughout our community.

BRYN MAWR MEET 30TH

Preliminary to the National Preaching Mission which is to visit this section, November 29 through December 2, a retreat for Main Line ministers will be held next Wednesday at 2.30 P. M. in the Bala-Cynwyd Methodist Church. The Rev. W. T. McKinney, Philadelphia, will address the clergymen.

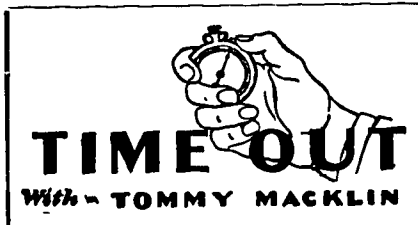

Plans are also being completed for the mass meeting under the auspices of the churches of the Main Line, on Monday evening, November 30, at 8 o'clock, in the Bryn Mawr Presbyterian Church. Dr. E. Stanley Jones, well-known missionary of India, is to be the speaker.

The National Preaching Mission in Philadelphia, will open with a community service in Convention Hall on Sunday afternoon, November 29, at 3 o'clock, and will close with another such rally Wednesday evening, December 2, at 8 o'clock.

In addition to Dr. Jones, who will open the Philadelphia Mission, Miss Muriel Lester, of London; Dr. T. Z. Koo, of China; Rev. John S. Whale, of Cambridge, England; Rev. Henry L. Henriod and Right Rev. Richard Roberts, of Toronto, have come to participate in the movement.

Schrepfer Awarded Plaque

A silver plaque indicating membership in the Inner Eye Society, an International organization to encourage achievement by the individual who labors under a handicap, has been awarded to Frank A. Schrepfer, of Grayling avenue, Narberth, past commander of the Military Order of the Purple Heart.

A healthy condition exists in this country today all along the sports frontier. There is no single team that you can put your thumb on and say, "There is the greatest team in America." Only the flicker of a lucky eyelid separates the first twenty college teams in comparative strength, and a round robin of games between those teams would leave them all defeated, not once, but many times.

This is as it should be. There are very, very few undefeated teams stalking the gridirons today. From coast to coast and from the Border to the Gulf the mighty have fallen under the heel of a better foe or, unprepared, have become the prey of a weaker but more determined enemy.

A successful season at any institution should include at least a brace of healthy defeats. Games like the Penn-Princeton or Penn-Navy affairs are real battles, and the outcome is in the laps of the gods until the field judge takes a bark out of the final gun. Regardless of victory or defeat, such games are great spectacles, worth the full admission price and, according to Hoyle on good sportsmanship, no scalps should be taken from the heads of the hapless coaches of the defeated to make bill folds or hip flasks for raccoon-coated alumni. A good sock in the ribs brings the best out of any collection of human beings.

Coach Dick Mattis has done another good job this season with Lower Merion Junior High School's football team. Last year the Leopards went through an undefeated season, and unless the 1937 model drops one to Northeast Catholic Freshmen this week, the fates point to another year of all victories.

The biggest stumbling block in the way was removed last Friday when the Orange and Black went to South Ardmore and met the fast and highly regarded Haverford Junior High team. The boys coached by Pop Bergoy had a 7-to-6 lead until the final quarter when Mattis' boys broke out in a rash of touchdowns and the game ended 18 to 7, for Lower Merion.

Upper Darby comes to Pennypacker Field for the final game of the year next Friday.

Followers of Lower Merion's football destinies had to swallow a bitter draught last week when the hard playing team from Norristown High School walked off the gridiron at Villanova College the victor in a hard fought game, 18-7. Without any desire to detract from Norristown's victory, an unkind fate threw the scale against Al Adam's Bulldogs during the last four minutes of the final quarter. A pair of tough breaks brought disaster when it seemed that the locals had added another fine victory to their record. Such was not to be and the boys must forget the past and prepare for the two remaining games on the schedule. Both must be won if they are to enjoy any semblance of a successful season. After dropping two games at the beginning of the schedule to teams that were admittedly stronger, they won three in a row by healthy scores. Then came two quick reversals of form in games with Pottstown and Norristown, both of which the locals had won, only to throw away due to lack of mental alertness, injured players, or the breaks if you prefer. The fact remains, however, that they are in the defeat column and it is up to the team to go to town in the two final contests of the year. Both Upper Darby, the enemy of tomorrow, and Radnor, the big foe on the schedule, are out to make a successful season by tripping the Maroon.

Main Line Red Cross Has Roll Call Luncheon

The Roll Call luncheon of the Main Line Branch No. 1, of the Southeastern District was held at the Merion Cricket Club, Haverford, Monday. Mrs. Henry C. Earnshaw, chairman, gave a short talk to the workers advising them to put forth every effort to put over the drive in two weeks or less if possible. She spoke of the amount given to the Child Health Clinics in Narberth, Bryn Mawr and Ardmore. Also the training in Home Nursing, First Aid and the work among the ex-servicemen by the Red Cross.

Junior Auxiliary to Meet
The Junior Auxiliary of St. Luke's and the Children's Homeopathic Hospital will meet Monday morning at the home of Mrs. Frederic C. Geiger, Stepping Stones, Wynnewood.

In the Schools

Report Cards

The grades from one to six are going to be marked by the new marking system. In this way they are marked on the basis of what the school believes each individual is able to do. If a pupil is doing outstanding, painstaking work he or she will receive an E for excellent work done. If a pupil is doing all the school believes he or she can do the mark is S for satisfactory work. If the card is marked I, improvement is needed or the pupil can work harder. Work marked U is unsatisfactory and is completely below the ability of the individual.

Grades seven and eight will continue to be marked on the basis of whether the work is E, excellent; G, good; F, fair; P, poor, or U, unsatisfactory.

On all cards there is a place where the children will be shown in what phase of work or subject they are doing their best work.

The character traits of the children that can be improved will be checked on the character side of the card.

Assembly

Our last assembly program was based on Armistice Day, which was November 11.

Carroll Weston read the Bible and took charge of the opening exercises. Robert Collins, of the American Legion, Harold D. Speakman Post, was our guest speaker. We sang several patriotic songs, among which were "America" and "The Star Spangled Banner."

Swimming Club

The Narberth school has decided to have a swimming club. It will meet Wednesday at 4.30 at the Y. W. C. A., Arch street, Philadelphia. The people who are to accompany the children are P.-T. A. members.

Sports

The weekly girls' field hockey game was played on Thursday afternoon after school. The Grays made the first goal. Then the Reds made a goal, tying the score. Finally, after a hard struggle, the Grays made another goal. The final score was 3 to 2 in favor of the Grays. Both teams showed good sportsmanship.

The soccer game a week ago was played with Strafford on the home field. The score was 2 to 0 in Narberth's favor.

The soccer game this week was played on Monday on the home field. Easttown, the opposing team, won the game, the score being 1 to 0.
